

ProTeen 2009 - Enrollment

“Clay to Conquest”

1. Enrollment is the process through which you, the parent, are saying, “I want my child to be a part of the youth ministry of the Bible Baptist Church. I understand that it is my responsibility to raise my child in the nurture and admonition of the Lord and I desire to use the youth ministry as a tool in helping me effectively meet my God given responsibility. I further understand that because the spiritual training of my child is my responsibility, there are things that I need to do to help foster and encourage the spiritual growth and well-being of my child. I realize that having the youth ministry as a tool and using the youth ministry as a tool are not the same thing.”
 - a. As a Parent I will endeavor to encourage my child spiritually by:
 - 1) Ensuring that he/she has a daily quiet time with God,
 - 2) Listening and helping with scripture memory,
 - 3) Checking the weekly at home Bible studies,
 - 4) Helping study and prepare for the weekly quizzes.
 - b. As a Parent I will endeavor to assist the Bible Baptist Church and its youth ministry by:
 - 1) Making sure that my child brings his/her Bible and Student Manual to each youth meeting.
