## GOD MADE IT ALL!

*The answer is God* for all questions. Why are humans only on earth? Why is there air to breath only here? Why is there so much beauty on our planet?

Where did it all come from? Who made all this? Who makes the sun to rise every morning of our life? *God is always the answer!*

*"And God said, Let there be light: and there was light. And God saw the light, that it was good: and God divided the light from the darkness.*

*And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day." Genesis 1:3-5*

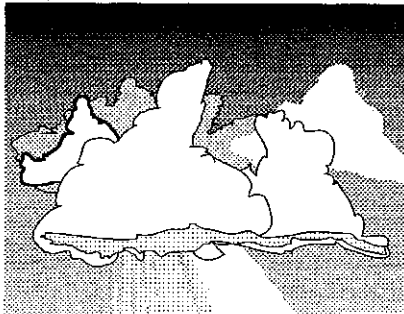

In the very beginning there was only God. We know God in three ways. There is *God the Father* (on the throne in Heaven). There is *God the Son*, whose name is Jesus. When Jesus was on this earth we learned more about God the Father by watching the Son. Jesus came to earth to be our Savior. We also know of *God the Holy Spirit*. He lives inside of us when we become a Christian.

**"IN THE BEGINNING GOD CREATED THE  
HEAVEN AND THE EARTH." *Genesis 1:1***

Our God is so great and so above all others, we could not possibly understand HOW He did it, but we can understand that He did! The very first verse in our Bible tells us that **GOD MADE IT ALL!!**

So, DAY 1 of creation was light and darkness.

## DAY 2

God made the earth and the heavens (everything we see and study about that's in the skies). God made the two to be separate. Now, there is the earth and there is the sky which holds the stars and planets. You will study all about the heavens in school.

**YES! GOD  
DID IT ALL!**

*"All things were made by him; and without him was not any thing made that was made" John 1:3*

**What a great God we have! And He was preparing all His creation for the best part of all - Man and Woman!**

# DAY 3

"And God said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so.

And God called the dry land Earth; and the gathering together of the waters called he Seas: and God saw that it was good." *Genesis 1:9-10*

Then God spoke again and even the grass and trees and fruit trees were created and grew. Each thing that grew was given seed within itself to grow again. Yes, God started it, and made sure it would keep on growing from its own seed. *Wow! what a great God we have!*

Go outside and take a look. Have you ever seen an ugly flower? Oh, some may be your favorites, but they are all full of beauty. Even the trees help us to breathe.

Our great God not only created all things, but He is still in control of all things. **END**

**ONLY GOD HAS THIS POWER!**

# SUDDENLY, WILLIAM FELT AS THOUGH HE WAS BEING WATCHED!

by Adrianna Kassner

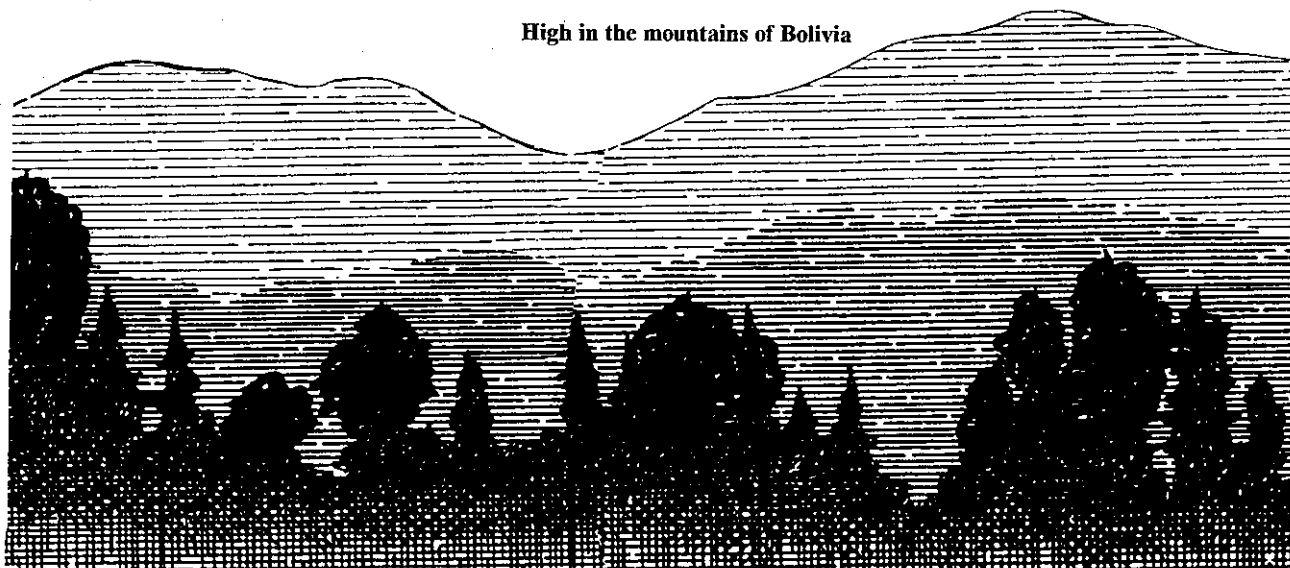

William was a missionary's son who lived in the country of Bolivia. He and his family often traveled from village to village, ministering to many different people. Their work was very important, yet because they moved all around the country so much and so far it was hard for William to become close friends to any children his own age. Aside from his brothers and sisters, William had a favorite companion - he was a little brown goat he called Muffy. This little goat followed him everywhere.

One day William went with his father to visit a village high in the mountains. As

usual, Muffy came along too. While his father was busy about his work, William and Muffy found a meadow to play in. For several moments, they chased each other, then William tumbled into the tall grass laughing as the little Muffy skipped over his chest.

Suddenly, William felt as though he was being watched! He quickly stood up. Standing just a few feet away was a young boy. He looked very thin. His face was dirty and his clothes were ragged. In his hands was an old faded soccer ball.

High in the mountains of Bolivia

Muffy seemed to be curious about this stranger. She walked straight up to him and began nibbling on his shoestring. The boy laughed. Soon William and the boy were chasing after the soccer ball and not far behind came Muffy.

Later, all three of them sat down to rest under the shade of a large tree. William learned that the boy's name was Oscar. Oscar was an orphan. He pointed to a tiny shack at the very bottom of the hill. This was his home. He lived there all alone with his old grandfather, who was very mean. This new little friend Oscar didn't have very many friends at all. Sometimes he felt very sad. But he was happy to meet William and that he had stopped to play with him on that day.

Soon William's father came looking for him. It was time to leave. William said goodbye to Oscar, then turned to go. But where was Muffy? William looked to see the little goat following

after Oscar!

"It looks like Muffy has found a new friend." said William.

That's when William made a tough choice. He didn't have to, but from within his heart, he wanted to.

"Dad, I want to give Muffy to Oscar. He needs her more than I do."

"That's up to you son. I'm so very proud of you for being so generous."

When William told Oscar the news, little Oscar was so happy that he cried. William was a little sad to leave Muffy behind, but he felt good about his own choice he had made. He knew for sure that Muffy would be Oscar's joy for a long time! END

# PRAYERS OF THE BIBLE

GOD SPEAKS TO US  
THROUGH HIS WORD

WE SPEAK TO GOD  
THROUGH PRAYER.

## THE PRAYER OF CONFESSION

**HERE'S WHAT IT MEANS:** It is you and me saying to God that we know He is God, and we are sinful. We admit it. We are asking for His mercy. We don't deserve His mercy, but we confess (we admit it) that we need His mercy.

Find now in your Bible, *Psalm, chapter 51*. Look for the verses below and fill in the words that are missing:

**PSALM 51:1**

"Have \_\_\_\_\_  
upon me, O God..."

**PSALM 51:10**

Create in \_\_\_\_\_ a  
\_\_\_\_\_ heart, O  
God..."

**PSALM 51:3**

"For I acknowledge my transgressions (sins):  
and my \_\_\_\_\_ is ever before me."

In this Psalm the great David is confessing sin and asking for God's mercy. He admits his sin. **IS THERE SOMETHING WHICH YOU NEED TO CONFESS TO GOD RIGHT NOW?**
